

RAPTOR-GAMING LM1

Product

(Picture just for reference – original can be different)

The RAPTOR-GAMING LM1 is the new Entry-Level-Class product into the world of gaming mice by Raptor Gaming Technology.

The resolution of the optical PC-Gaming mouse is adjustable in 2 levels 800 dpi and 1600 dpi.

The ergonomical right-hand design is equipped with the well accepted special soft-touch material which prevents the slip off of your fingers. The elegant silk-black and silver mouse also includes one additional set of mouse sliders and comes with a flexible cable with a length of 2.5 m.
